# Disappearing Fountains

Disappearing Fountains Reservoirs come in 3 easy-to-install sizes. Larger Reservoirs are recommended because they hold more water and allow for larger pumps with a higher flow rate. Larger Reservoirs also give you room for additional pots, statuary, etc. in your Disappearing Fountain. The possibilities are endless.

## Available in 3 Sizes

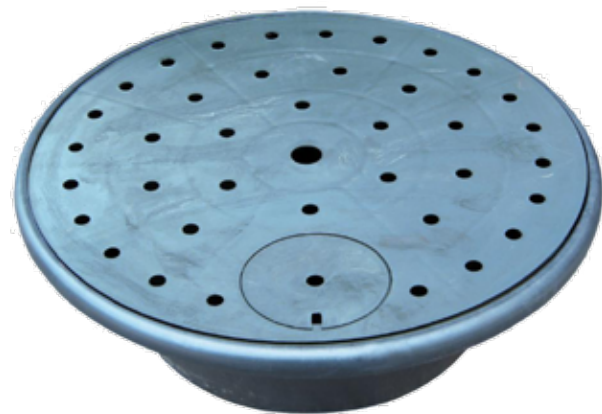

All reservoirs include the Reinforced Plastic Grating and 1/4" Plastic Mesh

## INVITATION

PH Garden is the most innovative company of its type on the market today. Closely following trends, leading designer Kevin Xu and his team continue to create a wide range of useful and beautiful products specifically designed for U.S. and Canadian markets.

Sad to say, over the years we've seen our designs copied by companies that turn out products of a lower quality. As a result, we have decided to protect our interests by moving our permanent showrooms into limited, temporary exhibits.

We cordially invite you to attend one of our private shows at either our Hayward or Atlanta locations. As a VIP customer, you will have first-hand access to our complete inventory, including our newest designs and colors.

By partnering and working together, we can help you establish the market in your region and grow our brands together.

Please join us.

## Our Catalog

Domestic shipping originates from either of our two warehouses in Decatur, GA or Hayward, CA. You may choose anything from our extensive catalog of pottery, bamboo, and stone products. FOB points are Hayward, CA or Decatur, GA. There is no minimum quantity per item/color for domestic shipping from our warehouses. You must select from the items listed in this catalog, but feel free to inquire about other colors that might be available. We will ship ASAP or according to your schedule using common carrier at competitive rates. Open Stock lead-time is normally 2 to 3 weeks.

Direct Shipping from our overseas factories is available. Please contact us for our factory direct buying programs.

## Our Showrooms

We invite you to visit us at our warehouse/showroom in Hayward, California - just east of the beautiful San Francisco Bay - OR our warehouse/showroom in Decatur, GA - just 20 minutes from downtown Atlanta. We will arrange for your airfare and hotel. Anytime you are attending the January or July markets and want to visit our warehouse/showroom in Decatur, GA, we will gladly pick you up at the airport or your hotel. We are here to make it simple and easy to visit us.

We also exhibit at the following major trade shows: AmericasMart - Jan. and July gift market. Temp in building 2, 4th floor.

IGC - Independent Garden Center Show in Chicago; TPIE - in Fort Lauderdale, FL.

Please refer to our website for updated information on our trade show schedule.

All of us at Pacific Home & Garden extend our very heartfelt "thank you" to our loyal friends and customers. We appreciate your business and will continue to work hard every day to give you more reasons to choose PH Garden.
